

DERBYSHIRE SQUASH & RACKETBALL
MENS LEAGUE AND KO CUP RULES 2017

1. LEAGUE and KO CUP MANAGEMENT

The League and KO Cup will be managed and administered by the appointed officers of the D.S.R.

2. LEAGUE STRUCTURE

- a) The league will comprise of teams of five players arranged in divisions. The arrangement of the divisions, promotions, relegations and fixtures etc will be decided by the D.S.R. at the start of each season. In each division every team will play the other teams twice, once at home and once away.
- b) One team will be relegated from the highest Division and one promoted from the Division below the highest Division. Two teams will be relegated/promoted between other adjacent Divisions.
- c) Teams will be accepted into the Leagues at the discretion of the D.S.R. and must be affiliated to England Squash by the commencement of the season.
- d) Where a club has not paid its England Squash & Racketball affiliation fees the DSR may apply 10 penalty points to all that Club's team if the affiliation fees have not been paid within 3 months of falling due and expulsion from leagues if not paid within 6 months of the due date for payment.
- e) An ANNUAL LEAGUE ENTRY FEE to the Derbyshire Leagues will be payable for EACH TEAM prior to acceptance in the Leagues. Where a club has not paid its ANNUAL LEAGUE ENTRY FEE the DSR may apply 10 penalty points to all that Club's team if the fee has not been paid within 3 months of falling due and expulsion from leagues if not paid within 6 months of the due date for payment.

3. FIXTURES

All fixtures (ties) will be arranged by the D.S.R. Rearrangement of fixtures will NOT be permitted except for exceptional circumstances e.g. flooding, lighting failure, adverse weather and must be agreed by League Secretary or Chairman. Any team that is unable to fulfil a fixture, for whatever reason, MUST notify both the LEAGUE SECRETARY and the OPPOSING TEAM CONTACT (v.rule 10) IN WRITING (and by telephone if less than 72 hours before the match). Failure to do so will result in the match being awarded to the opposing team.

4. SCORING / LEAGUE POINTS

Scoring :-

- (i) Men's Premier division: Point-A-Rally scoring will be used. Each match is the best of 5 games, each game to 11 points. If 10-10 then play continues until one player is 2 points clear.
- (ii) All other divisions: Traditional (HiHo) scoring will be used. Each match is the best of 5 games, each game to 9 points. If 8-8 then the player first to 8 points chooses to either 'set one' (i.e. one more point) or 'set two' (i.e. a best-of-3 points).

League points :-

Each tie will be the best of five matches. Each player will score one point for each game won and the team that wins the most matches will score an additional five bonus points. League positions will be determined by the number of points won/number of ties won/number of matches won/number of individual games won. (N.B. A tie is played between clubs; a match is played between individuals and shall be the best of five games).

5. PLAYER QUALIFICATION / REGISTRATION

- a) All players must be GENUINE playing members of their club of AT LEAST 14 days standing and may only represent one club during the season.
- b) The use of 'paid' players is to be limited to 1 per team in any match.

6. PLAYER NOMINATION

- i) Each team will consist of five players, in their correct order of merit who will play against their opposite number in the opposing team. For a Club fielding two or more teams on any one night each team separately must be in their correct order of merit, but not necessarily their nominated order through those two or more teams. For example a Club's 1st team might comprise nominated players 1, 2, 3, 4 and 11 while that Club's 2nd team might comprise nominated players 6, 7, 8, 9 and 10.
- ii) A player nominated in a Club's order may not play for a team lower than his nominated position allows. Therefore players 1-5 may not play for a Club's 2nd team or lower team, players 6-10 may not play for the 3rd

team or lower team etc. Where a newly nominated player is introduced into a Club's order after the start of the season, the revised nomination order will apply on the day that that new player plays his first match. For example a player newly nominated at no.3 will mean the original no.5 is now the revised order no.6 and the revised no.6 is allowed to play in the 2nd team at no.1 on the same day as the new no.3 plays their first match and thereafter. However, Rule 6.e) will still apply (for lower teams).

- b) At the commencement of the season each club must nominate (in order of merit) a **MINIMUM** number of REGISTERED players depending upon the numbers of teams entered e.g.
1 team - 7 players, 2 teams - 12 players, 3 teams - 17 players, 4 teams - 22 players etc.
- c) Each club must complete a nomination list, which must be received by the LEAGUE Secretary BEFORE the first match of the season. Any club failing to provide such information will have all its teams penalised 5 points each week the nomination list is not furnished. Any club failing to provide the appropriate league entry fees, may forfeit all matches concerned - until all fees have been paid.
- d) Clubs may submit a REVISED nomination list at the end of the halfway stage to take account of new players and changing standards etc. Any revised list **MUST** be submitted before the first match of the second half of the season and rules 6a and 6e will apply to the REVISED list during the second half-season.
- e) During EACH half season ANY nominated player may "play up" for ANY higher team **THREE TIMES ONLY** (if 'play-offs' take place they will count as league matches). On the next occasion that player "plays-up" he will be tied to the lower of any higher teams that he has "played-up" for; in effect he will automatically be re-nominated to that team and will not be permitted to play for any lower team for the remainder of that half-season.
- f) New players may be registered (v. Rule 5) and nominated into the order by applying to the LEAGUE SECRETARY, **IN WRITING**. A newly nominated player will be ineligible to play until 14 days have elapsed from the receipt of application by the LEAGUE SECRETARY. No new nominations will be accepted where a team has less than four matches to play before the end of the season.
- g) Non-registered/non-nominated players may be permitted to play for the lowest team of a club and must play below any previously register/nominated players. For any subsequent games that player will be deemed to be nominated in the lowest position. That player must also be in a correct order of merit.
- h) **PREMIER DIVISION ONLY:** For a player to be eligible to play in the Premier Division after Christmas that player must have played **AT LEAST TWO LEAGUE** matches for his club (in any division) before Christmas. The only exception to this rule shall be where a player was not able to play the minimum of two games by reason of injury. Should this situation apply and a club has a player wanting to play in Premier Division after Christmas, prior approval must be obtained from the League Secretary **BEFORE** the second half of the season commences. Clubs should make a case to the League Secretary setting out the circumstances. No other exceptions shall be considered. A player who on merit is in a club's team(s) in the highest Division may not play in the 2nd half of the league season in any team unless nominated correctly and who was injured and unable to play in at least two matches after correct nomination.
- i) Players must be fit to play. The practice of fielding a player who is obviously unwell or injured in order to maintain the strength of the team below that player will not be permitted. In the event of an obviously violation then rule 9c will be invoked.

7. MATCH ARRANGEMENTS

- a) All matches will be played under current England Squash Rules (see www.englandsquash.com).
- b) The home team will be responsible for making all necessary arrangements for matches i.e. provision of court(s), new Dunlop squash ball(s), **COMPETENT** officials and notification of the result in accordance with Rules 7c)-e).
- c) The **RESULT** must be communicated to the League Secretary **BEFORE** 6.00pm the first Monday after the match and include the minimum details: match date, division number, teams and team points (e.g. 17-9). Communication may be by **MATCH CARD**, **E-MAIL** or if necessary **TELEPHONE** (see League Secretary's details below). Note that where E-mail or telephone is used a Match Card must still be submitted in accordance with Rule 7d. Failure to communicate the **RESULT** in due time may result in at least a 5 point penalty.
- d) A **MATCH CARD** must be submitted and completed with **ALL** details required including date, division number, teams and players' names. Game scores must be **CORRECTLY** entered and the card signed by **BOTH** captains as a true record of the result of the match. Non-receipt of the **MATCH CARD** after a period of 28 days of the scheduled fixture date may result in a 20-0 loss against the home team.
- e) In the event of a fixture being cancelled/forfeited (for whatever reason) **OR** in the event that a team fails to turn up on the night then the home team **MUST** still submit a result card for that particular fixture which should give appropriate details to that effect. Failure to do so may result in the fixture being awarded **AGAINST** the home team (v. Rule 7d).

8. START TIMES

- a) Each team must have at least three players ready to PLAY at the start time and the remaining players likewise within one hour, unless otherwise arranged by BOTH teams (ideally, all players should be available at the start).
- b) If a team does not have three players available at the start then the opposing team will have the option to claim the tie.
- c) If the remaining two players have not arrived within one hour then the opposing team will have the option to claim those matches and it shall be regarded that those players did not turn up (v. Rule 9c).
- d) The home team must have one court available at the advertised start time and a second court (in the case of clubs with more than one court) within 20 minutes. Both courts must then be available until the conclusion of the tie.
- e) If at least one court is not available at the advertised start time then the away team will have the option to claim the tie.
- f) If the second court is not available within 20 minutes the away team will have the option to claim two of the remaining matches, those matches to be of the away team's choice. N.B. This will not override Rules 8c or 9c.
- g) Play must be continuous. If a match is not finished because insufficient court time has been allowed (v. Rule 8d) then the away player will have the option to claim that match and the away team may claim any other matches that have not yet commenced.
- h) Courts must be in a safe and playable condition. If a court becomes unplayable, it will be counted as if insufficient court time has been allowed (v. Rule 8g).

It is regrettable that such measures should be deemed necessary to ensure that clubs show more consideration to their opponents. The object of the leagues is to encourage friendly, competitive squash and although clubs MAY have the OPTION to claim matches or ties by default it is hoped that clubs will CONSIDER THE SPIRIT OF THE GAME and the EXTENT OF THE VIOLATION before exercising such options in their favour.

9. PENALTIES

- a) A team which violates any of the rules associated with player nominations (v. Rule 6) will lose all matches affected by that violation, each counting as a 3-0 loss
- b) If a player plays in more than one Derbyshire league match per night then BOTH matches will count as a 3-0 loss against that player.
- c) Any player failing to turn up will concede his match and his team will concede all matches below, each counting as a 3-0 loss (v. rules 9a and 9d).
- d) Five points will be deducted if a team turns up with only three players (v. Rule 9c).
- e) Five points will be deducted for late receipt of the result card. Non-receipt of result card after a period of 28 days of the scheduled fixture date will result in a 20-0 loss against the home team.
- f) Twenty points will be deducted in respect of a team that fails to turn up or give LESS than 72 hours notice of cancellation (v. rule 10a).
- g) The D.S.R. reserves the right to penalise any club which makes obvious infringements against the spirit of the rules.

10. CANCELLATIONS AND NON-ARRIVALS

- a) i) Any team that fails to fulfil a fixture will forfeit the tie and it will count as a 20-0 loss (v. rule 9f); ii) additionally that team will be penalised 20 points and ALL other lower teams of its Club will be penalised 10 points unless there are exceptional circumstances.
- b) Any team failing to give at least 48 hours notice of cancellation to the opposing club must reimburse all out-of-pocket expenses to a maximum of £50 (i.e. court fees/food or travelling expenses as appropriate). Reimbursement must be made within ten days and the LEAGUE SECRETARY informed of events.
- c) In the case of severe adverse weather conditions (or other EXCEPTIONAL circumstance) and with the approval of the D.S.R. in writing, then Rules 10a and 10b may be waived.

11. RULE QUERIES AND DISPUTES

Queries concerning the rules, disputes prior to or during a match or any other eventualities must be referred to the LEAGUE SECRETARY or CHAIRMAN, IN WRITING WITHIN FIVE DAYS of the event (i.e. 12 noon on the following Tuesday) in order for them to be considered. If an equitable solution cannot be found then the matter will be referred to the D.S.R. The decision of the D.S.R. in all matters will be final.

12. CONDUCT

- a) Away teams are expected to abide by the rules of the club they are visiting and in the absence of any club rules then reasonable conduct and behaviour will be expected.
- b) Any player or team who brings the game into disrepute or offends against the England Squash "Code of Conduct" should be reported to the D.S.R. and appropriate action WILL be taken. Where a report is received, the D.S.R. will notify in writing all parties concerned and specify a time limit for their written response. Appropriate action is at the discretion of the D.S.R. and may comprise a warning, a fine, a playing ban or deduction of points from the relevant team.

13. KNOCKOUT CUP

- a) Rules 3, 5, 6a, 7a, 7b, 7e, 8, 9a, 9b, 9c, 10, 11 and 12 above must be adhered to.
- b) For the Knock Out Cup ONLY Point-A-Rally to 11 scoring must be used. If the score is 10-10 then the game must be won by TWO clear points.
- c) Each tie will be the best of five matches; each match is between individual players. The team that wins the most matches will win the tie.
- d) A player may only play for the same club as he/she plays for in the League in the same season.
- e) Players may only play for a team in accordance with the above League Rule 6. e) on the date of a Cup match; i.e. for the purposes of the a Cup match the League Rules will apply. A player may play for more than one KO Cup team of a single Club in any season.
- f) A Cup match does not count as a League match in the context of being tied to a higher team due to the number of matches played.
