Other: Helen Wilson

#### **1 - Minutes of previous meeting and matters arising.**

The minutes were taken as a true and accurate record.

#### **2 - Secretary.**

We are to have a get-together to discuss the implications of the 'Governance Standard'. This will include a squash event prior to the discussions. To be held in January prior to the leagues restarting and probably held at The Manor.

**Action: FS**

Relating to the 'diversity' requirement of the new standard we could use the ES data on Derbyshire players in their system and compare it to local census data.

There are a number of people interested in positions on the committee.

#### **3 - Treasurer.**

Since last mtg:                      Expenditure - £89 (Bank charges, Squash Leagues & AGM expenses).  
   Income - £591 (ES, League fees & Interest).  
   Balance - £9916.

Two clubs still have summer league fees outstanding and two clubs have already paid their winter league fees.

**Action: RP**
